NEW TOURS
COMING IN 2019!

Mother's Day Tours

Culinary Trail of the Commonwealth (By Request of Groups of 4-10)

Kentucky's culinary scene was a well-kept secret until showcased on Season 16 of Bravo's Top Chef. Throughout the three-month long broadcast, the diversity of Kentucky's exploding food scene was revealed along with some of our most iconic sites. As we salivated through each episode, an idea emerged to combine what we love to do, show off our beautiful state, with what we live to do-eat. Join us as we travel from Lexington to Louisville to savor the cuisine of the celebrity chefs who served as judges on the show. We will have breakfast at Ouita Michel's Midway Bakery, lunch at Edward Lee's Whiskey Dry, dinner at Annie Pettry's Decca and a cocktail at the famous Seelbach Bar. We will work up an appetite by touring Kentucky landmarks: Keeneland, Makers' Mark and the Muhammad Ali Center. This will be a unique experience for the "foodie" in all of us.

Dinner on the Vine (By Request of Groups of 6-10)

In the 19th century, Kentucky was one of the largest wine-producing states in the nation. That changed with Prohibition. Today with over 70 wineries, Kentucky is revitalizing its position as a top wine producing state. Help us uncork Kentucky's fruitful past by touring 3 of our favorite wineries. Schedule a date night with us as we participate in a progressive dinner. Our first stop is for appetizers, a tour and flight at First Vineyard. We will then travel to Wildside Winery for dinner, a flight and a tour with owner Neil. We will finish up at Grimes Mill Winery for a chocolate/ wine pairing.

Experiences Tours

Paranormal Investigation Experience: Rohs Opera House (Coming on May 11th- Register Now)

"I fear not the dark itself but what may lurk within it."

Do you love to watch Ghost Hunters, Ghost Adventures or Paranormal Lockdown? Are you intrigued by stories of those who have had spiritual encounters? Have you ever been curious about how paranormal investigators collect evidence? We have a tour for those who answered yes to these questions. Our Paranormal Experience tour will take you to a site that is known for paranormal activity and pair you up with an actual paranormal investigator. You will learn about their instruments of the trade and how to conduct an investigation. They will discuss with you their experiences with other haunted sites and the outcome of their investigations. While we cannot guarantee a spiritual encounter, you will learn about the history of the site and of the reason for the investigation there. This is your opportunity for a one-of-a-kind hands-on experience. Exorcise your curiosity with us.

The current Rohs Opera House opened in 1941 with a showing of the show Down Argentine Way. Tickets were priced at 5 cents for adults. It was originally built in 1871 as Aeolian Hall, a live production theatre located on the second floor. Silent movies were eventually added. In 1941, the "new" Rohs Opera House was added to the building by H.A. Rohs and his son Karle. Today, Rohs hosts movies, live

events and is known to be haunted. Some of the activity includes an “Angry Man”, “A Lady in White”, and “Two children who run and play.”

Beer Tour

Hooch & Hatchets (New)

The Lexington craft beer scene has grown exponentially over the last few years. Even though each of these breweries has their own ambience, style and specialties they share a passion for beer making and a desire to contribute to the local community. We are showcasing the best of the breweries as well as Lexington’s newest activity, ax throwing, on our Hooch & Hatchets tour. Our first stop will be a tour and beer at West Sixth Brewing. Next, we will enjoy a flight at Country Boy Brewing. After visiting Lexington’s two oldest breweries, try your luck at Battle Axes, Lexington’s premiere hatchet-throwing venue.

Horse Tours

Stills & Stallions

Kentucky is famous for our delicious bourbons and beautiful thoroughbred horses. Join us on our Stills and Stallions tour to experience the best of the Bluegrass. We will journey along a fence-lined Kentucky back road to Old Friends Farm to talk about the history of the industry, tour the stables, and see their thoroughbreds. We will take a trip down the bourbon trail to savor Kentucky's native spirit at Buffalo Trace. We will learn the art and science of bourbon making as we tour the facilities and learn the history of our famous industry. The tour will conclude with samples from the distillery's selection of spirits.

New Specialty Tour

Bluegrass Bucket List

The Bluegrass State is known for its two historic industries, horses and bourbon. We have been racing horses in Kentucky since the late 1700s and even today the top horses in the industry are bred and raised here. One of Kentucky's historic and beautiful horse farms will be a bucket list stop. The growth of the bourbon industry in the state is hitting heights rarely seen in the 240 years of distilling in Kentucky. We will visit one of these historic distilleries and enjoy a tour and tasting. Our next industry that few people know about outside the state is wine. Kentucky was the home of the first commercial vineyard in U.S. history and in the late 1800s, it was the third largest wine producing state in the country. Today, there is a renewed interest in wine production in the state. We currently have over 70 commercial vineyards across the commonwealth. We will enjoy a tasting as we take in the beautiful scenery of the Bluegrass region. Our newest industry that is booming is our craft brewery scene. Lexington and central Kentucky currently have their own Brewgrass Trail. We will enjoy a flight at one of these locally owned breweries. So come and fill your bucket with the best that Kentucky has to offer.
